

English

As readers and writers we will learn...

- About how newspapers are written and then write our own newspaper article all about the Romans invasion.
- Learn how to turn a traditional story into a playscript and use this to perform the play to an audience.

Computing

- Design, write and debug programs that accomplish specific goals, including controlling or simulating physical

Design and Technology

As designers we will...

- Learn about how levers work.
- Create a moving picture that uses levers using as a theme the jobs the Romans did in Britain.
- Join textiles using a simple stitch to create a puppet for one of the characters in the story 'Jack and the Beanstalk'.
- Make a puppet that has a good finish and can do the job it was made for.

Music

As musicians we will...

- Create Roman soldier music.
- Identify range of instruments by name and way that played.
- Compare & contrast music heard & performed.

Maths

As mathematicians we will learn to ...

- Continuing place value work with numbers up to 1000.
- Count in multiples in 4, 8, 50 and 100.
- Solving problems involving both addition and subtraction.
- Calculating the duration of events.
- Solve problems linked to reading statistical information.
- Solving problems involving both multiplication and division.
- Recognising and counting in tenths.
- Identify right angles.

Year 3 Summer 2 Curriculum

Project title(s):

Rotten Romans

Fie Fi Fo Fum

Continuing the learning at home

- Find out all out the Romans.
- Visit Fishbourne Roman palace near Chichester.
- Make a puppet from your own favourite story.
- Learn the story of Jack and the Beanstalk off by heart.
- Can you grow your own plant at home?

RE

Making the correct choices, linked to the concept of temptation.

Science

As scientists we will...

- Identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers.
- Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant.
- Investigate the way in which water is transported within plants.
- Explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal.

PSHE/ Circle time

- Stepping into somebody else's shoes.

PE/ Games

- Develop athletic skills to take part in a variety of athletics activities and in Sports Day.
- Dance associate with the theme of rubbish.

French
