## Rules for Responsible Internet Use

1. TELL a trusted adult or older sibling if you are concerned about anything online.
2. KEEP personal information about yourself or others SAFE.
3. Online friends should be REAL friends first - people you know and your age.
4. Only agree online to meet with REAL friends.
5. Only go to websites you have been directed to, if you want to visit others, ASK an adult first.
6. Only POST KIND or helpful comments.
7. Only play age APPROPRIATE games.
8. Remember to REMIND OTHERS about how to stay safe online.
9. ALWAYS tell a trusted adult if you are concerned, better to be safe than sorry!
10. STOP if what you are doing online becomes inappropriate.
