

Key Stage 2 SATs 2019

What are SATs?

SATs are statutory assessments carried out by all state schools. They assess how your child's abilities compare nationally with other children in the same year group. Your child will be assessed at Key Stage 2 (KS2), when your child will take part in National Curriculum tests in Reading, Mathematics and Spelling, Grammar and Punctuation at the end of Year 6 (usually age 11). Writing is judged through teacher assessment, this is quality assured through moderation with other schools and the Local Authority.

As a school, how did we do?

'At Standard' refers to the number of children (as a %) who achieved the standardised score of 100. To achieve a 'higher standard' (with the exception of writing which is teacher assessed) a pupil must achieve a scaled score of 110 or above.

	Reading		Writing (Teacher Assessed)		Maths		Grammar, Punctuation & Spelling (GPS)		Combined Reading, Writing, Maths	
	At Standard	Higher Standard	At Standard	Greater Depth Standard	At Standard	Higher Standard	At Standard	Higher Standard	At Standard	Higher Standard
Stoke Park Junior School	74.4%	30.2%	84.9%	24.4%	82.6%	31.4%	77.9%	29.1%	68.6%	17.4%
Hampshire	75.8%	27.7%	81.2%	24.8%	80.1%	26.7%	78.4%	34.7%	67.4%	12.4%
National	73.2%	26.9%	78.5%	20.1%	78.7%	26.6%	77.9%	35.7%	64.8%	10.5%

How do 'marks' convert to a scaled score?

The table below explains further the correlation between the scaled score and the test mark (raw score):

	Reading 'raw score' (what mark they achieved out of 50)	Maths 'raw score' (what mark they achieved out of 110)	GPS 'raw score' (what mark they achieved out of 70)
No Scaled Score (N)	0 – 2 marks	0 – 2 marks	0 – 2 marks
Scaled score of 80 – 99	3 – 27 marks	3 – 57 marks	3 – 35 marks
Scaled score of 100 'At Standard'	28 – 40 marks	58 – 94 marks	36 – 54 marks
Scaled score 110 'High Standard'	41 – 50 marks	95 – 110 marks	55 – 70 marks

As a school, our average scaled score data is:

	Reading	Maths	GPS	<i>Writing is not included as teachers assess whether a child is Below Standard, At Standard or working at Greater Depth of the standard.</i>
Stoke Park Junior School	104.9	105.8	104.6	
Hampshire	105	105.2	106.2	
National	104.4	105	106.3	

As a school, our progress data is:

	Reading	Writing	Maths
Stoke Park Junior School	0.3	0.9	1.0
Hampshire	-0.40	-0.07	-0.76
National	0	0	0
