

Stoke Park Junior School 'Stay at home' work

Year 6 – Week Commencing 27th April 2020

Maths and times tables

The next Battle of the Bands are now LIVE! Earn points for your class. Who will be this week's heroes?

<https://play.trockstars.com/auth/school/student/27806>

Watch and join in with the daily Year 5/6 maths I see maths videos:

<http://www.iseemaths.com/lessons56/>

Then do the worksheets relating to this video – the link for these are directly under the video.

Spellings

We have attached the spelling words and activities you would normally be doing at this time of the year in school.

Look through the PowerPoint and complete all activities on there, before you complete the spelling activities (crossword, word search etc) each day.

You can also use any spelling strategies you know to practise your spellings at any time. Why not get a family member to test you?

Reading

We have got some reading activities for you to complete, looking at the same text throughout the week. You will need to go onto this website:

<https://www.lovereadings4kids.co.uk/> and register for free and then search for the book "A Sprinkle of Sorcery" or follow this link:

<https://www.lovereadings4kids.co.uk/extract/16878/A-Sprinkle-of-Sorcery-by-Michelle-Harrison.html>

Read through the first 5 pages of the text and complete the timetabled activity for about 20 minutes each day.

Also, don't forget to read and share what you're reading right now – if you like it, why not recommend it to others, let me know and I'll share it on our YouTube channel.

Writing

Using this picture as a stimulus:

Complete the 4 activities over the 5 days. – If you have time, why not complete the extension challenge.

NHS activities

As our National Health Service is working extremely hard to fight the coronavirus and help those who have been infected, we decided it is important that you start to learn more about our NHS and what they do to keep us safe and health.

Each day we have asked you to work from one of the five columns on the document. each column contains a variety of activities. You should choose **one activity** each day to complete in any way you feel appropriate (*posters, models, presentations, drama [videoed and sent to our YouTube channel if you can]*)

Please note that you will choosing another activity from each column next week so please don't do them all now!!

PE

In addition, please remember to exercise regularly to raise your heartbeat for at least 30 minutes a day.

You might like to try these:

ACTIVITY	DESCRIPTION EACH ACTIVITY TO LAST 5 MINUTES	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Speed Bounce	How many times can you do a two feet to two feet jump sideways over a cereal box in 15 or 20 seconds					
Plank	How long can you hold yourself in a plank position (front support) You can choose to hold yourself on your hands or elbows
