

Year 4 Weekly Activities Timetable - week commencing 15th June 2020

We have created a timetable to help you structure your day.

This is by no means a mandatory timetable, however, for those of you that would like to follow a more structured approach to your child's home learning, we hope this helps.

The timings are just a suggestion, please do not feel you have to stick rigidly to them or that you have to do all the tasks every day!

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Independent reading (20 min a day) or listen to Mrs Warburton/Mr Caunt reading 'Sky Song' on the Stoke Park Junior School YouTube channel.</p>	<p>Independent reading (20 min a day) or listen to Mrs Warburton/Mr Caunt reading 'Sky Song' on the Stoke Park Junior School YouTube channel.</p>	<p>Independent reading (20 min a day) or listen to Mrs Warburton/Mr Caunt reading 'Sky Song' on the Stoke Park Junior School YouTube channel.</p>	<p>Independent reading (20 min a day) or listen to Mrs Warburton/Mr Caunt reading 'Sky Song' on the Stoke Park Junior School YouTube channel.</p>	<p>Independent reading (20 min a day) or listen to Mrs Warburton/Mr Caunt reading 'Sky Song' on the Stoke Park Junior School YouTube channel.</p>

Mental maths and times tables

Timestables Rockstars – have you been in the studio yet or tried a sound check?

<https://play.ttrockstars.com/auth/school/student/27806>

Sharpen your mental arithmetic at Hit The Button:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Weekly Spellings: Adding the suffix '-ous'

Look at the PowerPoint and complete some of the activities to help learn these words.

tremendous

enormous

jealous

serious

hideous

fabulous

curious

anxious

obvious

gorgeous

If your child finds these words tricky then they could focus on 4 or 5 of the words only.

Purple Mash

In addition, you should all have your Purple Mash logins. Why not go on and explore. It is full of fun activities to try!

<https://www.purplemash.com/sch/sp-junior>

We would love to see some of the work that your children are doing so please do email us to share any images of their finished work. We would love to celebrate this with them and be able to comment on it in our next videos. Thank you for your continued support in this shared learning process.

BBC Bitesize: 7-9 Year Olds

The BBC have done an amazing job in creating their biggest education programme ever. Each day there is a 20 minute TV programme for 7-9 years olds available on the iPlayer and red button:

<https://www.bbc.co.uk/iplayer/episodes/p089g063/bitesize-79-year-olds>

In addition, there are daily maths lessons specific to year 4 available on their Bitesize website:

<https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-lessons/1>

They are a mix of videos, online interactive activities and printable worksheets.

All of this work is of excellent quality and can be used to supplement the materials we are providing.

It is worth noting that the online bitesize lessons appear to be currently pitched to the Autumn term work and so for some the content, especially in maths, may not be particularly challenging for some children.

The National Academy

The National Academy can be accessed by using the following web address:

<https://www.thenational.academy/>

The Academy offers 180 video lessons each week for schools to use, across a broad range of subjects. The lessons cover children in Reception through to Year 10 and are free to use by both teachers and young people.
