Outstanding Library Books

A big thank you to all those who have returned library books. We still have a significant number of books which have yet to be returned to school after the lockdown period. Please help us to recover the books by sending them back into school with your child. This ensures that we are able to provide a wide range of fiction and non-fiction texts for all pupils within school.

Remote Learning

Please return the slip detailing your preferred contact details which teachers should use in the event of a child needing to isolate, or a bubble, class or a year group needing to isolate. Class teachers will be in contact with you, via their class email, to ensure we have the correct details.

Parents Evening

You will all have received details of your child's parents evening, which this term will take place as a phone call.

Please ensure you send back the slip which allows us to select your preferred date and time slot. This is an important opportunity for you to discuss with your child's teacher how they have settled back into school and ways you can support their learning at home.

Magazines

If you have any old magazines that you no longer want, children in Year 3 would be very grateful if you would donate them to school for them to use next week. Please leave magazines in reception by Friday so they can be left over the weekend before being used. Many thanks.
