NEWSLETTER

Dear Parents

On behalf of school staff, many thanks for your continued support for our blended learning.

Following the Prime Minister's announcement regarding schools re-opening in March, the current arrangements for all pupils will remain in place until more information is available. We will, of course, keep you informed of any changes.

In order to ensure that we minimise the number of staff in school, we have revised our office opening hours:

8.00am – 4.00pm Monday – Wednesday
8.30am – 4.00pm Thursday, Friday

Lockdown lunches and meal plans

For those of you who are entitled to free school meals we will be starting the voucher scheme from next week. Initially you will be issued with a two week voucher which will take you up until half term. These should be emailed to you before the end of next week.

Change4Life have created recipes and shopping lists for families which can be used to create lunches for around £15 each week. You can access these using the following link:

<https://www.nhs.uk/change4life/recipes/lunch/cheap-lockdown-lunch-ideas>

Inset Day

Following the letter sent to all parents yesterday, I would like to confirm that school will be closed to all children on Friday 12th February.

School will also be closed for half term from Monday 15th February – Friday 19th February.

No work will be set or these periods and there is no expectation for children to undertake work. I hope you and your child will take them as a good opportunity for a well-earned rest.

Condover Hall/Stubbington

I am sorry for the disappointment caused by having to cancel this year's residential activities. Our decision is based on current government guidance that no school residentials are permitted to take place before Easter. However, if the guidelines allow we will of course try and plan in some alternative activities for Years 4 and 6 in the summer term.
