Dear Parents/Carers

Celebration Drop Ins

Our next round of celebration Drop-Ins are due to take place on Thursday 25th November for Years 5 and 6 and Thursday 2nd December for Years 3 and 4. Both sessions will run straight after school. Whilst we will let you know how these sessions are going to run in next week's newsletter, we will continue to monitor the Covid situation very carefully and act accordingly in order to keep everyone safe.

Meeting for Year 5 Parents – Residential in Year 6

This meeting will take place on Thursday 2nd December after school. We will send out further details nearer the time. Again, we will monitor the school and local Covid levels and act accordingly.

England Rocks

Just a reminder that SPJS is taking part in the England Rocks competition and by getting involved, your child could earn prizes for the school, including vouchers to spend on learning resources. Please encourage your child to log in from home this week. This is a fantastic opportunity for your child to improve their times tables knowledge whilst gaining points for the class and possible points for the school.

Log in from home at: <https://play.trockstars.com> or through the Times Table Rocks Stars app. Please ask your class teacher for further details.

FOSP Uniform Sale

FOSP will hold a second hand uniform sale on the playground this Friday 12th November after school. If you have any old uniform that is still in good condition, please bring it in to school and FOSP can add it to future sales.

If you would like to be a part of FOSP their next meeting is being held on Thursday 11th November at 7.00pm in Steamtown – they would love to see some new faces so please go along.

Inset Day

The school will be closed for Inset Day on Monday 22nd November for staff training.

Advice for Parents

Is your child too poorly for school? New advice will help you decide. It is always a worry when a child becomes unwell, but it is not always obvious how to care for them and whether you should keep them at home. You can now find handy NHS guidance in one place

online that will help you identify a possible condition, so you can decide whether to send your child to school.

On the website is a list of common childhood illnesses and conditions from conjunctivitis to head lice, as well as symptoms such as a high temperature and a sore throat and what these might mean. There is advice about what to do and when a child should return to education after being treated.

Visit the should you child go to school/nursery today website at <https://what0-18.nhs.uk/parentscarers/child-unwell-ok-go-nurseryschool-1>

Go online and search for 0-18 should child go to school. Please bookmark this website so it is easy to find if ever your child becomes unwell.

If you are unsure about a child's wellbeing, please talk to your local pharmacist, call the NHS helpline on 111, or contact your GP.

The guidance has been created by the County Council, with the NHS and local authority partners through the Healthier Together initiative, which aims to improve the health of children and young people in Dorset, Hampshire and the Isle of Wight.

Congratulations

To Jessica Davis in Barlow class who is going to be in Shrek the Musical at the Point in Eastleigh over February half term 23-26 Feb 22.
